Date: Friday 17th of May 2019

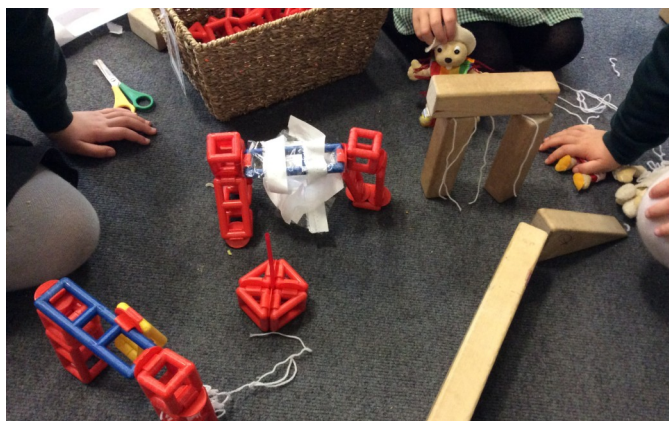

In RE we have been learning about Jesus' disciples and looking at what makes a good friend. The children drew pictures of their friends and then wrote or discussed why they were their friend.

With the warmer weather this week the children have loved exploring with water outside. They have been looking at how much water different containers hold and how we can move water around the space using the guttering.

Some of the children have been building their own playground and used pictures off the iPad for inspiration. They then extended their learning by creating a big see saw outside using the crates! I think it looks fabulous!

### Home Work

Week One: The Hungry Caterpillar Story is now on YouTube.

<https://youtu.be/kQNxBRONqaA>

Week Two: Can you write and/or draw something fun that you have done over half term?
